

# Undercar Specialist

## Degree Type

Certificate

### UNDERCAR SPECIALIST CERTIFICATE 17 SEMESTER HOURS

This certificate is designed to enhance the skills of experienced technicians who strive to become ASE certified or as starting point for students who wish to attain marketable automotive technician skills.

Students will learn skills for the immediate entry into the job market as a brake, suspension and general automotive specialist technician.

Students who complete the certificate are prepared to take the ASE certification exam in the areas of automotive brakes and suspension.
