

# Student Responsibilities

1. It is essential that all students realize that industrial apparatus and materials in shops and labs are required.
2. The posted speed limit governs campus driving. Pedestrians have the right-of-way at all times. In the event of an accident, students should immediately report the incident to security personnel.
3. Each student is responsible for information published through notices, announcements, and mailings each term.
4. Students should enter faculty and business offices and storerooms only when authorized by faculty or staff personnel.
5. Only in case of emergency will students be called out of class for telephone calls. No calls may be placed by students on office phones.
6. A student taking credit for work other than his or her own is subject to disciplinary action and alteration of grades.
7. Students should keep cars locked at all times. The College does not assume responsibility for stolen articles.
8. Individuals wishing to place notices on campus must have approval of the Student Advisory Board or the Vice President for Student Services.
