## Fees

### Registration Fee\*

A non-refundable registration fee of \$25 is due each semester.

### Lab Fee\*

Some courses may be subject to a \$25 lab fee.

### Enrollment Fee\*

A non-refundable enrollment fee of \$60 will be charged to new students and returning students who have not been enrolled at OCtech for three or more semesters.

### Late Fee

The late registration fee will be \$50.

### Program Fee

Technical Program fee: \$125

Arts and Science Program fee: \$25

### Inclusive Access Fees\*

Certain courses at OCtech are Inclusive Access courses. With these courses, the student is charged a course fee in addition to tuition that covers most, if not all of the required textbooks and access fees for the course. This fee

covers only the digital components. If a student who is enrolled in the Inclusive Access program would like a print version of the same item, the print version can be purchased in the college bookstore, from the publisher, or possibly a third-party (if available).

Students wishing to opt out of the program must select the “Opt-Out” option in the course content section of D2L. Students MUST have the items covered with all Inclusive Access starting the first day of classes in order to take the course. Please note, simply having a printed copy of the book being used in the course does not give access to the required digital components.

Students that drop an Inclusive Access course prior to the end of published add/drop period, will automatically be refunded the charge. Students dropping courses after the published add/drop period, to include administrative or student initiated withdrawals will be charged the Inclusive Access fee and not be eligible to receive a refund of the course fee.
