

Institutional Effectiveness

The Office of Institutional Effectiveness (IE) is an extension of the Office for Academic Affairs. Research and analysis of academic programs and divisions for institutional effectiveness are conducted by IE. The director serves as OCtech's liaison for performance funding and institutional effectiveness to the State Board for Technical and Comprehensive Education. Qualitative and quantitative analyses of all areas of the College are conducted and reported. The Office of Institutional Effectiveness is also responsible for the College's Strategic Plan assessment, assessment of student learning outcomes, program evaluations, and student evaluation of instruction.
